

Degree 30 - Signs 31 and 32 Stirring Affections and Lasting Eternally

AFFECTING: STILL MOUNTAIN, RECEIVING A LAKE OF JOY; AND
STAYING: WIND, MOVING SOUND WITH AGREEMENT

When I am mountain stilling, water pooling; and
When I am wind lowing, sound moving;

Then I am sincerely affecting others with high principles, honesty, integrity,
righteousness, worthiness, and devotion; and
I am centering myself in virtues that are constant, continuous, and
unchanged.

Inside, I am plowing up the hardened soil below heaven's leading impulse
(corresponding with others from a center that has no private, selfish,
intentions); and

Outside, I am guarding against the over-extension of earth's heavenly yield
(agreeing with the constant way of having virtues which are proper and fitting
for the moment).
